### Gingerbread

Shade with **Burnt Umber** the face under the hat and along the icing on the hand. Make two black dots for eyes, cheeks are dry brush with **Tomato Red**. Shade lightly the hat to create the puffs with **Trad. Raw Sienna** and a touch of **L. Buttermilk**, highlight with **Warm White**. Paint the hearts and stripes on the hat with **Foliage Green**. Shade the spoon with **Burnt Umber** to create the recess, the handle close to the hand, highlight along the outer side of the spoon with **Camel**, add on the top a small comma with **L. Buttermilk**.

### Cupcake

Shade with **Wedgewood Blue** the paper cups under the glaze, along the sides, on the bottom and to create the folds. Reinforce the shading in some parts with **Deep Midnight Blue**, highlight along the folds with **L. Buttermilk**. Tint here and there with **Razzle Berry**. Shading between the various layers of glaze with **Razzle Berry**, highlight with **L. Buttermilk**, then with **Warm White**. Shade with **Black Plum** the cherry next to the frosting and where go the stem; highlight at the top with **Fiery Red**. Paint the stem with **Trad Raw Sienna**.

### Cookies

Shade with **Burnt Umber** near the cupcake, around the chocolate chips and cherries, highlight along the edge and front of the cherries and chocolate chips with **Camel**. Dry brush in the central area with **Camel** to highlight. Shade the cherries at the bottom with **Black Plum**, highlight at the top with **Fiery Red**. Shade the chocolate chips at the bottom with **Soft Black**, highlight at the top with **Camel**. Add a small comma **L. Buttermilk** on the drops and cherries.

## Cinnamon sticks

Shade with **Burnt Umber** near the cookies, near paper cups, and to divide the ribs, highlight with **Camel**.  
Stoke a little comma with **L. Buttermilk**.

## Written
